

## Resident's Lifestyle Policy for The Springs of Scottsdale

Current Policy, April 3, 2020:

**STRONG recommendation for all residents to stay in the apartment homes as much as possible.**

### Details of Policy:

- No visitors, unless medically essential and must be approved by The Springs of Scottsdale.
- No leaving the community. Only 911 or life-sustaining medical appointments are approved.
  - *If you leave the property for any reason, a 14-day apartment isolation will be imposed, this includes trips for 911 or life-sustaining medical appointments.*
  - Leaving the property includes getting into the car of a visitor even if parked on property.
- Leaving for routine doctors' appointments is not allowed.
  - Please utilize the resource list we've provided outlining various resources including: telemedicine, mobile physician, lab and urgent care services available to come to your apartment home. If you have questions or need help using the resources, contact a Liv Team member in your community.
- We strongly recommend apartment isolation for 30 days. If you do walk out of your apartment:
  - No leaving the property line around the community
  - Not more than 1 person in an elevator
  - Observe social distancing 6' rule
  - Refrain from touching common surfaces
  - Wash hands prior to leaving your apartment and upon returning to your apartment.
  - Sanitize all doorknobs, light switches or surfaces you touch prior to washing your hands.

**If any of the lifestyle modifications above are violated, the resident will be required to self-quarantine in their apartment home for 14 consecutive days.**

### Liv Communities procedural changes to date:

- All new move-ins are postponed until after May 1
- All team members receive temperature checks at the start of each shift
- Essential visitors are only allowed through the front doors and go through screenings and temperature checks
- All community spaces are being cleaned and sanitized above and beyond regulation
- All in-person vibrant living activities are suspended but we are offering new content virtually
- All dining venues are closed. Meals are being delivered to your doors.
- Mail and packages are being sanitized prior to distribution
