

May 22, 2020

Dear LivGenerations Residents and Family Members,

This Memorial Day weekend we take time to remember and honor those who have given their lives fighting to protect our American values and freedoms. To our residents who fought alongside these lost souls, thank you for your bravery and service. To our residents who have lost a loved one due to military service, we mourn for your loss. The privileges afforded to our country built on these sacrifices are even more precious during this temporary time of lifestyle restrictions. Typically, this weekend we would be gathering together to honor our military and celebrate our freedoms. We will miss these special gatherings this year and look forward to a future time when we can come together as we have in the past. The dining team is cooking up a delicious meal to help make the holiday weekend feel special.

We hope everyone is scheduling appointments to take advantage of the resumed visitation program. To pre-book an appointment email your respective community at agritopiafamilyvisit@livgenerations.com, ahwatukeefamilyvisit@livgenerations.com, or pinnaclepeakfamilyvisit@livgenerations.com. As a quick reminder, these are 30-minute outdoor visits, limited to 2 guests who are 12 years or older. If you have any questions regarding the new policy, email us at livwell@livcommunities.com.

We are so happy to begin taking re-opening steps and appreciate everyone's respect of the procedural changes so we can safely bring these services back into the community. The weeks ahead will bring some resumed meal service in the dining rooms and the return of the stylists in the salon. We are excited to announce that starting Wednesday, May 27, **Liv Fit will be open for daily La Forma fitness classes**. Class size will be limited to nine (9) or less for social distancing reasons. Classes will be live streamed and recorded for those who want to participate in their rooms and at future times. Re-opening Liv Fit proved a top priority for residents on the survey responses. We have worked hard with our team to bring this programming back and look forward to expanding offerings as we prove success with this step.

Please continue to take all the necessary safety precautions to reduce the risk of the spread of COVID-19, including staying on the community grounds, wearing a mask, washing hands and disinfecting surfaces.

Thank you for your ongoing strength and commitment to our communities' well-being. We are available for questions or comments at livwell@livcommunities.com.

Sincerely, The Liv Well Task Force
