

June 22, 2020

Dear Liv Resident,

As you know, with COVID-19 cases on the rise in Arizona, many of the cities' mayors have passed mandates that masks must be worn by all citizens when in public spaces. At Liv, your well-being and the well-being of all of our customers, team members and business partners is our priority. We consider our leasing offices to be public spaces, since we conduct business with potential residents and vendors, as well as delivery persons and contractors. Therefore, we will require that face masks be worn within our leasing offices. If you would like to visit our office, we'd luv to see you! Please wear a mask, and if you don't have one, we will provide one for you while you visit. We will not require masks within the amenity spaces at this time, but we do encourage that you wear them to help stop the spread of the coronavirus. Please maintain social distancing if you visit these areas, and take the proper precautions to keep yourself and others healthy. We feel it's important to remind you that at this time guests that are not residents of the Liv community, may not visit the amenity areas. Please limit use of the common areas to you and members of your household until further notice. We thank you for your part in helping to stop the spread of the virus.

Sincerely,
Liv Well Task Force
