

January 22, 2021

Dear Residents of LivGenerations Pinnacle Peak and Family Members,

We are excited share **our vaccination date is now Thursday, January 28**. Team members will be in touch to ensure forms are filled out, questions are answered and appointments are booked for next week.

After completing our testing this week we have no active cases of COVID-19 among residents and team members so **effective immediately residents are able to move freely around the community grounds**. Visits remain on hold and all other "red" county restrictions as dictated by Arizona Department of Public Health must stay in place as cases are still high in our state and especially our county.

Please continue to wear a mask, practice social distancing, avoid gathering in groups and practice frequent hand washing to protect yourself from transmission. We need to make it through the next few weeks without an outbreak so we can begin our new journey as a vaccinated community.

Questions or concerns can be directed to livwell@livcommunities.com.

Sincerely,
The Liv Well Task Force
